\$10⁹⁹

Better Buzz Coffee was founded in San Diego in 2002 with a mission to elevate the coffee experience. With over 26 current café locations (and expansion plans for additional locations in 2025), they are very proud of the atmosphere and community they've created. Better Buzz Coffee hand roasts small batches of their coffee which ensures the quality and authenticity of each roast. They go through a very intense vetting process of cupping and choosing their beans from farms that have a story and stand for important causes like Women Owned farms. Better Buzz Coffee provides exceptional coffee products. Life's better buzzed.
